ORGANIC LANDSCAPE & GARDENING FAIR

Saturday, February 19, 2011

8am - 4pm

The United Way Building, 50 Waugh Drive, Houston, Texas 77007

An all-day explosion of great education featuring two keynote speakers, 12 workshops and Houston's finest organic vendors/exhibitors. You will be ready to go forth and 'Go Organic' after attending this event!

Tickets are \$55. This includes light refreshments and a delicious gourmet organic lunch. Advanced registration required. Please go to www.ohbaonline.org to register via PayPal.

OUTSTANDING KEYNOTE SPEAKERS

MORNING KEYNOTE

Ms. Betsy Ross

"Health Starts with the Soil"

Betsy grows grass-fed organic beef and started Sustainable Growth Texas, a state-wide compost tea operation.

LUNCH KEYNOTE

Mr. Paul Tukey

"There is a New, Better Way to Live"

Paul is one of the nation's foremost experts on organics. He produced the acclaimed movie *A Chemical Reaction*, authored *The Organic Lawn Care* and started the national non-profit www.safelawn.org

MORE HIGHLIGHTS

Visit over 25 vendor/exhibitor booths and choose from 12 great lectures by Houston's local organic experts. All day concurrent lectures will include three workshop tracks:

Workshop A - Soil Science:

John Ferguson - Soil Foodweb & Compost, Bill Wyatt - Compost Tea, Gene Barnes - Water Conservation

Workshop B - Organic Methods:

Bart Brechter - Organic Basics, Mike Serant - Complete Organic Program, Dee Howell - Organic Pest Control, John Jones - Organic Tree Care

Workshop C - Gardening:

Charles Allen - Edible Plants, Heidi Sheesley - Butterfly and Hummingbird Plants, Bob Randall - Growing Food, Kathy Vosburg - Organic Landscaping
